

**On your home screen, click on Settings...
then select "Accounts & Passwords", "Add
Account", and "Other".**

Select "Add Subscribed Calendar". In the "Server" field, copy & paste the desired calendar URL from www.alleneaglesvolleyball/calsubscribe.php. Once the URL is pasted in the "Server" field, click "Save".

**On your home screen, click on Settings...
then select "Calendar", and "Default Alert Times".**

**Click "Events", and select "30 minutes before".
Now check your calendar, and you should see the
calendar added to your phone!**
